I. PURPOSE

A. Because it is the policy of MAPP to provide a place of employment that is free from recognized hazards that cause or are likely to cause death or serious physical harm to employees or the public, employees of MAPP will not perform any work involving cadmium. Any subcontractor, and supplemental labor employees will not perform any cadmium related job activity without verification of the proper training and proper Personal Protective Equipment (PPE) in accordance with 29 CFR 1926.1127 prior to the start of any work activity.
